# order guidelines

#### **WEEKDAY ORDERS**

All orders should be received by web order or email no later than 3:00 PM of the previous business day. Certain speciality items and requests may require additional notice, speak with your customer service representative for all items not covered in this menu package. Orders placed after the order deadline may not be fulfilled.

### WEEKEND ORDERS AND WEEKEND ORDER MODIFICATION

All orders for Saturday and Sunday must be received by web order or e-mail no later than 3:00 PM on the Thursday prior. Orders placed after the order deadline may not be fulfilled. Cancellation or modifications to weekend orders must be done by no later than the order deadline.

#### **WEEKDAY ORDER MODIFICATION**

As per our service standards, we will do our utmost to accommodate any changes. However, any changes received by Marigolds and Onions after 3:00 pm on the day prior to your weekday delivery will have to be approved by your customer service representative or account manager.

#### **ORDER CANCELLATIONS**

Cancellations must be received by phone or email during business hours, 9:00 am to 5:00 pm Monday to Friday, no later than 4:30 PM on the day prior. Any items that require advanced notice, such as cakes or cool & warm bites, cannot be removed or canceled without approval by your customer service representative or account manager.

#### **DELIVERY MINIMUM**

A \$50.00 minimum per order, not including delivery charge, applies.

### **DELIVERY CHARGE**

Delivery charge will vary depending on your location. Speak to our customer service representatives to confirm the charge. Additional surcharges may apply for orders placed after order deadlines.

### **REUSABLE WHITE SERVING EQUIPMENT**

In an ongoing pursuit to better serve both our customers and the environment, we use sturdy lightweight environmentally friendly serving trays and bowls. In order to maintain our inventory level we would appreciate you separating Marigolds and Onions trays and bowls from any other caterer's equipment. Our driver will return to pickup Marigolds and Onions equipment within 24 hours of delivery. A replacement fee will apply to trays or bowls that cannot be accounted for.

#### **DISPOSABLES**

As part of Toronto's Single-use and Takeaway Item reduction strategy, Marigolds and Onions cannot distribute single-use items except by customer request. If you require any disposable items: cutlery, napkins, plates, serving utensils, etc., speak to our customer service representatives to confirm pricing.

#### **FOOD ALLERGIES**

Although precaution is taken to manage the risk of allergen cross-contamination in our kitchen, please be advised that there is a possibility of cross-contamination occurring during manufacturing, processing and in-house preparation. Therefore, we cannot guarantee that a menu item is free of peanuts, tree nuts and/or other allergens. Consumers with allergen and ingredient sensitivity concerns are advised to exercise caution.

#### **GLUTEN ALLERGY STATEMENT**

Gluten-Friendly items are crafted with gluten-friendly ingredients and/or naturally gluten-friendly items. Despite efforts to prevent cross-contamination during processing, handling, and packaging, we cannot guarantee the absence of gluten traces. Consumers with gluten sensitivities are advised to exercise caution.

#### **OPTIONS & PRICING**

Additional charges apply when substituting a gluten-friendly option. Optional beverages can be included. Price does not include disposables, staff charges, delivery or applicable taxes.

### **STANDARDS FOR DELIVERY**

We will always do our utmost to perform deliveries at the time requested, but we may be earlier than requested. Our delivery staff will not be responsible to open or set up any of the food being delivered. However, if you require assistance to set-up, please speak with customer service who can assist you in arranging staffing.

# environmental policy

### **BEING GREEN, LIVING GREEN**

Marigolds and Onions Catering & Event Production continually demonstrates our commitment to the environment through our day to day actions. Our goal is to minimize waste & pollution while engaging in the use of local, fresh, seasonal and passionately cultivated products whenever possible. We believe our continued efforts and behaviour will contribute positivley to the environment.

We firmly believe in making choices to use the most environmentally friendly products available for all of our packaging and disposable items. We try to choose compostable items or items made from the highest level of post-consumer recycled content available. We are always looking for the newest innovations in packaging to ensure we provide the most ecologically friendly alternative in the market.

- Our individual cutlery and plates are made from compostable plant starches.
- Individual meal trays are made with a compostable plant starch base with a lid made from recycled plastic.
- Other plastic items are chosen in order to maximize the post-consumer content of recycled plastic. We believe that by choosing to maximize both the content and quantity of recycled products we use, we hope to encourage the growth of recycling.

We serve only salmon from certified environmentally conscious suppliers. Our suppliers are held to high standards of environmental responsibility, animal health & welfare, food safety and social responsibility.

We have participated in the Save on Energy<sup>™</sup> program to upgrade building infrastructure to more energy efficient options.

- Upgraded lighting throughout our building to LED bulbs. This will save an estimated 37% of our electricity use on lighting.
- Upgraded refrigeration equipment to be more energy efficient and added strip curtains to reduce air loss in walk-in coolers.
- Installed equipment to better control our kitchen air extraction system, significantly increasing its efficiency. This will lead to significant reduction in electrical and gas use.

Installed smart thermostats to better control our heating and cooling throughout our building. This is estimated to save from 4-7% of our combined electrical and gas use.

Use of email versus printer materials.

Donate surplus food, beverage and packaging to local food rescues and/or charities.

Advocate for the "Blue Box" program and recycle all of our paper, cardboard, tin, glass and plastic waste.

Our paper source is certified by the Forest Stewardship Council (FSC) which guarantees that it is made from wood products that come from responsibly managed forest and verified recycled sources.

Marigolds and Onions makes every effort to sell or recycle used equipment at the end of the product's life cycle. All staff at Marigolds and Onions use ceramic mugs and reusable plastic cups for hot and cold beverages consumed during work hours to cut down on waste.

Deliveries are scheduled by area & time to maximize driving efficiency and minimize emissions. There is a no idling policy with our vehicles.
